

COASTAL CHEMICAL
A BRENNTAG GROUP COMPANY

PRODUCTION CHEMICALS

PROVIDING EXPERT SOLUTIONS & UNPARALLELED SERVICE

Leading Provider of
Technology-Based Solutions
to the Energy Industry

ABOUT US

Coastal Chemical was formed in 1958 to service a growing energy industry on the Gulf Coast of Louisiana and Texas. Coastal Chemical is now a leading provider of technology-based solutions to the energy industry of North America. Our value-added service team members are key in solving problems through innovation, leading to the safe production and transmission of energy.

MISSION

Coastal Chemical's brand values define how we do business as we realize our vision for the future. These values are our guiding forces in how we conduct our business operations.

Coastal's technical expertise is deployed to create tailored solutions for customers and is deeply involved on the forefront of renewable energy technology solutions.
